**RE: Canine Contract – Bye Bye Birdie Goose Control**

---

Bye Bye Birdie Goose Control, through its principal, Sherri Hall, has provided canine control service on behalf of the Town of New Tecumseth since she was awarded the contract in June 2007.

I am responsible for the Town's canine control function and have been very pleased with the service provided by Ms. Hall's company. Ms. Hall is extremely experienced and conducts business in a professional manner. She has presented a number of good ideas for service improvement and has been a significant contributor to our canine by-law review process. She has also developed a kennel inspection report which will greatly assist in ensuring our Town's many business kennels are kept at a high standard. Ms. Hall is very committed to animal welfare and the encouragement of responsible pet ownership which has had a very positive effect on our service. She has made a considerable impact in a very short period of time and we look forward to continuing to work with her.

I would be glad to answer any further questions you might have, should you wish to contact me directly.

Sincerely,

Gayla McDonald  
Clerk/Manager of Administration
